Dear Ms. Gilpin

I am currently researching photographs to be used in a forthcoming Sociology textbook to be published by Rinehart Press in 1974.

If you could possibly help me with any of the following subject matter, I feel our book will be enhanced with new and up-to-date photographs. The following are suggestions that I think you can help me with:

Photographs of indians today. A selection, on approval, would be nice. Black and White. Please let me know your fees.

I would like to see all photographs on approval. Should we use any of your selections, Rinehart will pay all print and/or reproductions, and provide your desired credit line.

Thank you for your time and help.

Sincerely,

A handwritten signature in cursive script that reads "Sally Thompson".
