Dear Laura,

We see in the papers that you will be in town on April 28th talking at the Fine Arts Center. How great. My friends, Georgia Smith & Fran Slinkman, & I wish to ask if there will be time for us to entertain you at dinner while you are here? We'll ask W. Jackson to join us and will look forward to hearing what time you have open & we'll plan accordingly. We realize you are very busy & very popular, but we'd love to return your hospitality while you're here.

Sincerely,

Rhoda Wilcox
