Dear Ms. Gilpin,

I spoke to you last November, previous to your visit to the University of Denver about ordering two of your prints which I saw in Santa Fe. The two I am specifically interested in are the airplane hanger at night and the Indian family all seated under the American flag.

As the Christmas rush swells in upon us I am sure that you are quite burdened with orders to print. However, I was curious if there would be any possibility of getting those two prints before Christmas? I would very much like to give them to my husband. If that is impossible though I will certainly understand.

Following this letter I will call you in order to get the exact price of the prints and to find out if it will possible to get them before the holiday or not.

I very much look forward to having two of your photographs in our collection, they will certainly be important and exquisite additions.

The above address is different from the one I gave you on the phone. Please mail to the above as the Vail address is my husbands and I want the photographs to be a complete surprise. Thank you so much.

Sincerely,

A handwritten signature in cursive script, reading "Susan G. Brown". The signature is written in dark ink and is positioned below the typed name "Susan G. Brown".
