

April 6, 1975

Dear Laura:

Congratulations on the Guggenheim! I
am just delighted for you.

I was able to see only the last few
minutes of Beau's film, but it looked good.
As Chairman of the whole conference in
California I had to be everywhere at once.
I'm sure I'll see the whole thing another
time.

Trust all goes well.

Best,

A handwritten signature in dark ink, appearing to read 'P/B' or similar, written in a cursive, stylized manner.
