Sante Fe, New Mexico

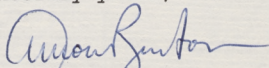

Dear Ms. Gilpin:

I received a letter yesterday from Sina Morales at the Museum Shop, Palace of the Governors, in Sante Fe, concerning the three photographs that I ordered earlier this year through the Museum Shop. I paid a deposit of \$100 and am enclosing herewith a check in the amount of \$300 representing the balance owed for these three photographs.

I need to have the three photographs shipped to me in Austin, Texas, and you or Mrs. Morales might advise me about the best way to have the photographs shipped from Sante Fe. I want to make sure that the photographs are in a secure package for mailing so that the prints will not be damaged in any way during transportation.

I am very pleased to obtain several of your photographs and look forward to adding them to my collection of black and white photographs. My wife and I enjoyed visiting with you one afternoon this past summer and I hope you are feeling well these days. I am eager to see your new book on Canyon de Chelly. When will it be published?

Sincerely yours,

W. Amon Burton, Jr.
