Dear Miss Gilpin,

Thank you very much for letting David Stein take these photographs at the opening of the Victorian Architecture exhibit. I thought you might like to have a copy as a memento of the opening, and with our thanks for your good work in judging the competition.

The retrospective exhibit of your photographs in the Fine Arts Museum was a great joy to me and to many other people--I've heard more comments on that than on any other exhibit while I've been at the Museum. I'm looking forward to seeing your studies of Canyon de Chelly, and to meeting you at future openings.

Sincerely yours,

Susan Dewitt
