Dear Laura Gilpin,

I've been working with Minor White on several projects for Aperture. One of them is about the Capitol Reef area in Utah and it's proximity to four mountains sacred to the Indians. Minor told me you were interested in Indian lore and history, and I thought you might be able to help us find the names of mountains, both the Indian and the map names. Maybe you could suggest some book titles.

Any help you could give us, would be greatly appreciated.
Thank you very much.

Sincerely yours,

Abe Frajndlich
