Laura Gilpin:-

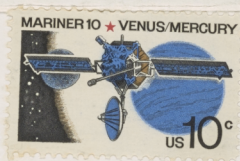

Good morning you always remind me
of our Mary Jane Colter & the good old days.
I hope to come to Santa Fe again for
Fiesta I am driving over with a friend &
if Lee has her big Fiesta Party you are
invited by me.

Laura I have only ~~only~~ ^{one} copy of picture
you made of me Dec 1954. Would I be
lucky enough for you to still have some
of those films. They were taken in my
home on Taos Hwy & Taos Rd in spring or
summer.

Arizona Highways have been showing Maricopa
Indian jewelry I have some & love it. But Mary
Jane had the collection & left it to the Mesa
Verde Museum instead of Santa Fe what a loss.
All is well here. Look fwd to seeing you, also
March Town & Country had articles about old picture
Love & Blessings
