Dear Laura Gilpin:

You may remember a
call from me some years ago, and
also meeting my daughter Gay
Gilpin Johnson & her husband Eric.
We thought you would like to
know that your T.V. program on
Today's Show last week was greatly
enjoyed by us, your cousins on
the Eastern coast. You looked very
natural as we remembered you,
and did very well in your ex-
planations of the fine photographs.
We were proud of you.

As I have reached

that 80 year Meridian, I feel encouraged
that you were continuing to
do significant things.

Ann Wetzel who is also on
the Gelpi tree was the one who
alerted us to your program & she
also enjoyed it.

Good wishes,

sincerely,

Margaret B. Gelpi

I don't know your street
address but hope this reaches
you.
