Dear Jerry;

Thankyou for your letter and returning the prints of mine that you had for your show. As I recall, the Irene Yazzie print was a 16 x 20. The price on this photograph is \$150 in the 16 x 20 size. \$100 if you should want an 8 x 10. Somehow this negative has gotten misfiled. I am assuming that I put it in a wrong envelope when I was printing several things at once. This means I will have to go through my entire file to find it. I cannot believe it was lost. However, I do have a copy negative which is good and I can print from this. This picture, I feel, is one of my best. She is such a lovely little person, and it was a great pleasure to work with her. She is from Pine Springs, as you may or may not know. Just let me know your decision on what you wish.

Best wishes,

Laura Gilpin
