Miss Susan Brown
Vale, Colorado

Dear Miss Brown;

The prints you ordered by telephone are ready to be shipped to you, if you will give me a more exact address, if that is necessary. I will see that they are off to you next week.

You did not ask me the prices on these and I somehow assumed you had ~~seen~~ them in my exhibition here last year, and that you already knew them. The big print of the B-29 Bomber is \$150 and the 11x 14 of the Navaho Family and Flag is \$100.

I will see that these are properly packed to reach you in perfect condition.

Very truly yours,

Laura Gilpin
