Dear Mr. Conrat;

Your letter of March 10, 1975 has been long unanswered due to many reasons. My apologies and I am trying to catch up with things.

It is probably too late for you to use the picture on the title page of the "Enduring Navajo", but should you still wish it, I will have to get permission from the University of Texas Press, as well as sending you my own for this use. If you will please let me know, I will make a print for you. This is a particularly difficult image to print correctly and I do need to know the quality of the book in which it will be used, etc.

Sincerely,

Laura Gilpin
