Dear Mr. Cooper;

Thankyou for your letter, which regretfully I am just answering now. I am afraid I was in the hospital at the time your letter arived last year, and since then I have been in the hospital again several times, which has gotten me very far behind.

I am very sorry to have missed you when you came through Santa Fe, but hope that in the future, if you are able to make such a trip again, that I may hear from you so that we might again meet.

Very truly yours,

Laura Gilpin
