Dear Mr. Humphrey:-

Thank you very much indeed for your letter regarding the WOMEN OF PHOTOGRAPHY exhibition. It is a great disappointment to me that I will not be able to attend the opening on the evening of April 17, and again the following day. Were it a week earlier I might have been able to do so. But at least I will be able to see the exhibition when it comes to Santa Fe.

I know all the work that has gone into the preparation for it as I see Ann Noggle often and she and Margery Mann deserve high praise for such an accomplishment. I am looking forward to receiving the catalogue and ofcourse am proud and delighted that I am included in it.

The post card you sent is in the mail with this letter and I shall be glad to fill a y order that might result from the exhibit.

Wishing you the greatest of success with the entire project, I am

Most sincerely yours,

Laura Gilpin
