Dear Mr. Janis;

A few days ago I was talking to Barbara Morgan by telephone, and she told me that you were having an exhibition coming up of photographs of painters. I have done many of these in the course of my photographic life, and I give you this list of painters from Colorado Springs: Boardman Robinson, Adolf Dehn, Frank Mechau, Papino Mangroviti, John Carlson. From New Mexico: Georgia O'Keeffe, Andrew Dasburg, Victor Higgins, Oscar Berninghaus, Agnes Sims, Una Hanbury, sculptress, Milford Greer, Randall Davey.

I should probably have to make prints of several of these, but I would be most happy to do so, if there is sufficient time to do them.

I have been very interested to know that you have the "Women in Photography" show in your gallery right now, and pleased that I am one of the fifty. With best wishes.

Sincerely yours,

Laura Gilpin
