Ms. Helen Johnston
Focus Gallery
2146 Union Street
San Francisco, California 94123

Dear Ms. Johnston;

Thankyou very much for your letter and the enclosed photos. I will have a set of prints ready for you sometime in February, and that, alas, is not too far away.

Within a month I will be moving into a new set of work-rooms that have been added to my house and will have me in much better production shape. In the meantime, everything is somewhat in a state of confusion.

Best wishes,

Laura Gilpin
