Miss Susan King, Registrar,
San Francisco Museum of Art,
Van Ness Ave., San Francisco, California.

Dear Miss King:-

Thank you very much for the check for the first platinum print of Indian Owens, TEST for \$212.50. Fortunately I had one more print of this which was sent to you yesterday, and which I trust will reach you promptly and in good order. This is coming via Air Freight which Ame Hoggie recommended. Usually I send prints by United Parcel Service but that seems to be out in shipping to California. I understand that the State of Arizona wont let the trucks cross!

I have received the copy of the catalogue of the exhibition which is excellent. How much are extra copies? I could use one or two more. And ofcourse I have been most pleased to be represented in this exhibition and am looking forward to seeing it here in september. My thanks to all of you who have worked on this show.

Sincerely yours,
