Dear Mr. Logan;

Your letter of many months ago regarding an aerial view of Fort Union has been long unanswered for many reasons. My apologies please, I am sorry.

The amount that you sent is very much beneath the usual prices I get on my photographs and I am sending the check with this mail. The gallery that handles my work has a price on most of my 8x10 pictures of \$50. If you are still interested, I will be glad to make one for you. I do all my own work, so that you may be assured that you will have a print of good quality.

Very sincerely yours,

Laura Gilpin
