Dear Mr. Lowett;

Thankyou for your memo regarding the change
in the mastercharge ticket. It does make it
easier to keep records st~~a~~aight.

Would you please check on the order of frames
which I brought back with me, as I am short one
16" set and one 17" set. If possible, could they
be sent along with the order of the four 24"
frames that were not available when I was there?
Thank you very much for your attention in this.

Sincerely yours,

Laura Gilpin
