Mr. Manuel Ortiz  
Business Manager  
The Museum Shop

Dear Mr. Ortiz;

I have just received your letter upon returning from a short trip to Denver and realize you have had requests for past due orders from my exhibition. I am writing to say that I have notified all the people in question that they shall receive their prints before Christmas.

I am afraid that I am behind due to several illnesses this past summer, but am working towards catching up as soon as I am able. I hope to have much of all my work caught up at an early date.

Very sincerely,

Laura Gilpin
