Dear Mr. Ott;

I understand you will be having my retrospective show in February of 1976 which is being routed by the Western Association of Art Museums. I do not know if you were here in Santa Fe during the time that this was hanging in the art museum or not. The original show consists of 150 prints, three of them photo murals. For the traveling show, this was reduced to 100 prints and no murals. As you are so near by, I am wondering if you would like to have some murals which I have here in my studio, and the remaining 50 prints which I am keeping intact. You may not have space for this, but I would like to advise you that it could be available if you wish it.

I was very much hoping that I will be able to get down to Roswell while the show is there. I had seen the grouping of the 100 prints when it was in Colorado Springs, but I should like also to see your presentation of it. With best wishes,

Very sincerely yours,

Laura Gilpin
