Dear Mr. Ott;

Thank you for your answer to my letter. Several of the murals I have are in Arizona, rather than New Mexico, but I do have the "Storm from La Bajada Hill" and a Navaho action picture of women making fry bread for the Crownpoint ceremonies, which is New Mexico. I shall be very happy to show these to you anytime that you are in the vicinity.

I will be away for a few days at Christmas, but will be back by December 28th. Anytime after that I will be here continuously. I will try to get a few publicity prints off to you within a week. With best wishes for the holidays.

Sincerely,

Laura Gilpin
