Dear Ms. Tucker;

Thankyou very much indeed for your letter of December 8. I never received your September letter to which you refer. I was over at the Canyon in September, but I thought my mail was being taken care of, though the local post office and Uncle Sam has come up with a lot of missing things in the last few months. It is not too late, of course, and I am glad you want some of my de Chelly things. I have just cleared this with the Schoal of American Research, which has sponsored this project, and credit of course, must go to them.

I will not be able to make any prints until after New Years, and I will get you the titles and statement that you want in the mail before Christmas. I hope that this will be satisfactory to you and thankyou for wishing to have me in this exhibition.

Very truly yours,

Laura Gilpin
