Dear Ms. Gilpin:

Thank you for your extremely gracious and kind letter of December 9th, which arrived during one of my perpetual absences from the office. I had not heard that you were going to have a photographic exhibit here on campus; but I suspect it is in connection with the Art Museum. I will be in contact with them in the immediate future. We certainly do look forward to having the opportunity of ordering some of the photographs.

As far as biographical sketches and other material go, this, of course, we await with considerable eagerness and perhaps could make copies of some of the items that you might have. In any case, I can understand, at the present time, you are not in a position to fulfill that request, but I do look forward to keeping in touch. I thank you ever so much for responding. If you do get up this way this coming summer, I hope you will let us know. You live in what is possibly my favorite city in the United States. I used to get down there quite frequently, although in the last couple of years I have not been able to make the journey.

Best wishes,

Cordially,

Gene M. Gressley
