dear miss gelpi:

I would like to thank you for the time you spent with michael pigoan and myself last saturday afternoon. for me, meeting and sharing experiences with you was truly a motivating afternoon, thank you.

I told you I would arrange a meeting with Joe Ben whist to photograph the earl morris collection.

The time has been secured during the morning of Nov. the 12th for your work.

also please find enclosed several photographs. I have had trouble with composition recently, as per our talk at your home, maybe you could help me with some criticism.

See you the evening of Nov 12 in Denver -

Thank you again.

sincerely paul harb-
