Dear Ms. Gilpin:

I am writing primarily to thank you for your generous participation in WOMEN OF PHOTOGRAPHY. The exhibition has finally opened to the public and by all recorded accounts, it is an outstanding success. The Museum is indeed grateful to you for helping to make it so.

Enclosed you will find a copy of the catalogue. We of the Museum are understandably proud of it and feel it will be a lasting record that will effectively represent all concerned long after the exhibition itself has been dismantled and the work returned. We will be sure to send you the press clippings as they come out, as well.

Again, along with Margery Mann and Anne Noggle, I express my gratitude to you.

Sincerely,

John Humphrey
Curator
