Dear Ms Gilpin:

We are so pleased to have the opportunity of including several examples of your work at the gallery's exhibition of Women of Photography: An Historical Survey, which, as you know, was so brilliantly organized by the San Francisco Museum. The show opens at our gallery on Saturday, November 29th, and continues thru January 3rd, 1976. We hope you find a moment to drop in to see the show.

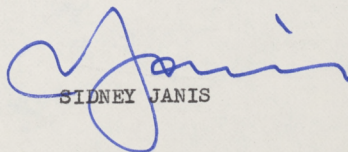

In the meantime, we will be pleased to have on hand fine prints of the photographs of your own items included in the show, together with full information on each including price. Or you may wish instead to refer us directly to a gallery with whom you may be associated.

We have inquiries for prints of works by many of the photographers included in the exhibition and feel certain that the sale of these will reach many collectors who really count.

We should be most pleased to see you, if possible at the opening on Saturday the 29th from 4 to 6 p.m.; in the meantime our personal greetings.

Looking forward to hearing from you soon.

Yours cordially,

SIDNEY JANIS
