Dear Miss Gilpin:

Thank you very much for your card. I'm sorry I was not able to get to Phoenix in time to see your exhibition there. I certainly would have liked to see it.

I have your print of icicles dripping on the ground in a very favorite spot in our new home. It would add greatly to the pleasure I feel when I look at that picture to have the opportunity of meeting you personally sometime soon. With Beaumont Newhall moving to Santa Fe, there certainly is a collection of photography history there and increases the reasons for me to visit your neighborhood sometime soon.

I am enclosing some information about the Center. Is there any possibility that you might be coming this way soon?

Sincerely,
