Dear Ms. Gilpin:

I received a call today again from the man who refused the Indian Ovens, Taos print. He said he has changed his mind entirely and does not want the print at all now. So I guess I will have to ask that the payment for that print we sent to you be returned to us.

The exhibition print remains sold and you have received payment for that also.

If you need to make out a check, please make it payable to the San Francisco Museum of Art and send it to my attention.

This is the first time this has ever happened. I apologize.

Sincerely,

Susan King
