Miss Laura Gilpin
Camero del Monte Sol
Santa Fe, New Mexico 87501

Dear Miss Gilpen:

Like the plague, I regularly return seeking the Bynner photographs. I hope I add some grace to my relentless requests by including in this note my wishes for a very pleasant Christmas and New Year's.

Your Navaho book, which I just treated myself to as an early Christmas present, is a superb work and a great pleasure to me.

Sincerely,

James Kraft
