Dear Ms. Gilpin:

In behalf of the Art Rental Collection of Jonathan Edwards College at Yale University I would like to ask the price of a print of your photograph "Sunrise over the Desert" which is illustrated in The Enduring Navaho (Austin and London), pp. 62-63?

Our rental collection consists of prints, paintings, and photographs including work by James Rosenquist, Alex Katz, Imogen Cunningham, and Richard Haas, which we make available for hanging in the rooms of undergraduates at Jonathan Edwards, one of Yale's residential colleges. Mr. James D. Burke, curator of Prints and Drawings at the Yale University Art Gallery, drew our attention to your beautiful photography.

We will be happy to hear from you at your earliest convenience.

Very sincerely,

Thomas J. Kren, graduate assistant
The Arts Committee, Jonathan Edwards College
