Dear Miss Gilpin;

I can't tell you how delighted we are that you are going to come and do a talk for us on the 13th of November.

The program for the entire exhibition is being finalized, and if things go according to schedule we will show the E.T.V. film on Curtis on the 11th, Lloyd New will speak on the 12th and you on the 13th.

If you will let me know your travelling plans I will be more than happy to meet you or arrange to have you met at the airport. The 13th is going to be a busy day for me, that morning we are having a seminar on paper conservation conducted by Roy Perkinson from the Fine Arts Museum San Francisco.

You will be speaking at 8 P.M. in the Penrose Library where the exhibition is being held. What are your thoughts about dinner before, would you like to have a small dinner party or would you rather put your feet up and rest? If you decide on dinner is there anyone special that you would like to have?

I would be delighted to have you stay at my house, but I must warn you that it is two story with all the bedroom upstairs. If my house won't work, I can make a hotel reservation for you, have you any preference?

If you need transportation to Boulder I can take you since I don't have any class on Friday.

Please bring your own projector, and if you need anything else in the way of special equipment please let me know.

With warmest regards,

Mary C. Lanius
