October 27,

Dear Miss Telpin,

I had a very nice chat with your friend Paul Harbaugh last evening.

When I last talked to you on the phone I neglected to ask about your thoughts on a small dinner party. When do you think you will be arriving in Denver?

My friend Bob Ray from Iowa came to Denver last week to see his family, so I am afraid the idea of his coming up with you is out, I'm sorry.

We are having a perfectly beautiful fall - we had our first snow last Thursday but it really didn't amount to much.

Warmest regards,

Mary Louie
