Dear Laura:

Thank you for your note of February 2 about the print of the Cundiyo church which you mailed to me in New York for Robin. My check in amount of \$107.00 in payment therefore is enclosed. Although shipped February 1st our building superintendent at 720 Park Avenue told me the package has not yet arrived, even today. If it is not too much trouble, perhaps you had better ask United Parcel Service to put out a search for the package.

Sorry I was not able to join with Marielle and Edmee in the pleasant visit they had with you yesterday.

With best regards,

Sincerely,
