Dear Mr. Strel:

Enclosed is the itinerary for the Laura Gilpin Retrospective exhibition, as it stands now. There are several more institutions which are interested in dates following the January booking. When these are settled I will send you a final copy.

As of this date I have not yet received the publicity photographs for the exhibition. I have many requests for them, as some institutions produce publicity and newsletters far in advance of a booking date. Please let me know how they are coming, and what date I can expect them so that I may in turn let the exhibitors know.

Sincerely,

Susan Melim
