Dear Laura:

In early March I placed an order with you for the following:

1. "Navaho Medicine Man"
2. "Storm from La Bahada Hill, New Mexico"
3. "Howard Cook (Taoa Artist)"

I think you told me that you did not have "Howard Cook" anymore, but could you please fill the order for the first two mentioned when it is convenient for you. Thanks a lot.

Sincerely,

Goldie -
