Dear Laura Gelpi:

A Mutual friend
Mr David D. Harport
was visiting in the
Gallup Area a Week
or so when Editha
Watson passed away.
He was fortunate
to have visited with
her, stayed for the
services and in giving
me a copy of the
enclosed, asked me
if I would send a
copy to you. in

Cause you would
not receive one, and
I am glad to do so.
I did not know
Eliha Watson, only
who she was and
the many capable
and interesting things
she did. I can under-
stand and appreciate
why so many people
liked her and that
you and she were
such good friends

With every good wish

Sincerely Katie Doe
