Dear Miss Gilpin,

Enclosed find check for \$17.50 book
for your lovely book about the Navajos,
which I saw in your home recently.

I just returned from the tour of
Navajoland and was enthralled. We had perfect
weather, always arriving just after the rain
was over, and the countryside was green and
beautiful. What an experience!

Such beauty in both the people
and the land, in Puebloland as well
as in Navajoland.

I feel most fortunate at having
had the opportunity to visit, in depth,
two spectacular states, New Mexico and
Arizona. I am a retired teacher,
and my trip fulfilled a long
awaited opportunity to meet our
Native Americans, in their native homeland.

Best wishes to you in the under-
taking of your new book.

Sincerely yours,

Marguerite M. Schoben
