Ms. Laura Gilpin
409 Camino del Monte Sol
Santa Fe, New Mexico

Dear Ms. Gilpin:

I want to be certain that you received my September letter requesting four of your new Canyon de Chelly pictures for the Aspects of American Photography, 1976 exhibition which I am organizing for April.

If you will be good enough to lend the prints, I need to know titles and sizes (print size as well as overmat size for glass). I should also like a statement from you for the catalogue, now being written. I need to have a reproduction print or transparency in advance, so I can include it. The original prints should reach me by March 15.

Dick Rudisill is coming in April to judge the Missouri show so he will have opportunity to see this exhibition too.

Best regards from my husband too.

Sincerely,

Jean S. Tucker
Research Fellow
