Dear Miss Gilpin:

On behalf of the Los Alamos County Historical Museum, I am currently undertaking the writing of a booklet entitled: "Who's Who in Los Alamos History," for the Bicentennial celebrations. We are including persons, among others who helped in the recording of Los Alamos history as a contribution to its present.

The booklet will be divided into time periods including information on each person's time in (or connection with) Los Alamos and their careers today.

We hope to receive your help on this project. We need to receive this information by August 30, if possible, as our printing date is to be October, 1975.

We would greatly appreciate your filling out the enclosed biographical sketch sheet, as well as sending any taped or written material, reminiscences, clippings, etc. on your career and on your life in Los Alamos.

The booklet will be a totally nonprofit edition and will serve as a Bicentennial project by the Los Alamos County Historical Museum for the benefit of the Los Alamos public.

Thank you for your kind consideration of this project. If you have any questions about or suggestions for this project, please do not hesitate to write at the above address.

Sincerely,

Margaret Wohlberg
