Dear Ms. Gilpin:

Thank you for sending us 6 of your beautiful photographs of Georgia O'Keeffe for possible use in our WNET/13 color documentary on the life and work of Georgia O'Keeffe. As you know, the film is being made with the active cooperation of Miss O'Keeffe whom we have filmed and interviewed at length in New Mexico. It will be broadcast nationally on P.B.S. and then will be circulated to museums, libraries, schools, and to other cultural and educational audiences for many years to come.

We recognize and appreciate greatly your generosity in accepting the token fee of \$25 for each photograph which is eventually used in the program, and appropriate credit will be given to you in the end credits of the show.

Please be assured that we will take very good care of your photographs while they are in our possession. They will be returned to you insured and by registered mail as soon as we have completed our filming.

Once again, thank you for your interest and help on this project. Your photographs will make a valuable contribution to our film portrait of a great artist.

Sincerely,

Perry Miller Adato  
Producer, WNET/13
