Dear Laura Gilpin,

This note is sent to confirm our telephone conversation recently in which we discussed your participation in an exhibition dealing with the selection process in photography and our upcoming meeting with you about that show.

We would like to see you Jan. 6-8 to discuss your part in the show. We will arrive in Sante Fe on Jan. 5. On Jan. 6 we would like to familiarize ourselves with your history in the medium, you suggested we look through your "scrapbooks" and we would probably do so on that day. It will probably take us one afternoon and, at the most, another morning session, to complete our selection of work with you and discussions pertaining to that work.

Let me emphasize that we do not want to take up any more of your time than you are easily willing to give and will try to keep the sessions as simple as possible. We will discuss very specifically the intentions of the show and exactly how we see your work fitting into that show when we meet with you in Sante Fe.

I will give you a call a week ahead of time to check and see if there are any conflicts or problems with our meeting time, or for any questions you might have.

Thank you for your continuing interest in our project,

James M. Baker
