Dear Laura,

Sorry for the delay in mailing this contract. Since you could not start before January 1, I trust that nothing has been lost.

Yesterday I saw two beautiful platinum prints of yours of the Yucatan series (pp.24, 69 of the book). They were exhibited in a gallery on Madison Avenue in a show called "Openings and Closings".

Frances joins me in sending you seasons greetings and our best wishes for a happy and healthy New Year.

Cordially,

A handwritten signature in cursive script, appearing to read 'Dan'.
