

Flamants dans le soleil couchant des salines

Dear Laura - Isn't this some card...
French - Lucien Clergue...

Did you get my letter of last
October about the Peony photograph
of 1928. A gift from Anne Crowley
of Rhinbeck, N.Y. I was writing to
inquire about the process - the
print has the look of platinum, but
I am not sure - a slight 'silver'
look. Could you tell me what it might
be?

Best - Peter Bunnell
Princeton

*Cheers for 1976 -
