Dear Miss Gilpen:

I am enclosing our check number #157 in the amount of \$500.00 in payment of two of your photographs. The large mural entitled "Storm from La Bajada Hill, New Mexico" we shall keep from the exhibition. The other photograph "The Rio Grande Yields its Surplus to the Sea, Texas and Mexico" is to be made by you in size 16 x 20 inches and sent to us.

Your exhibition was a delightful experience for all of us. We feel fortunate in being able to show your work.

May I wish for you a happy 85th birthday and many more years of photographing.

Sincerely,

Drucilla Denney
