Dear Ms. Gilpin:

I thought I'd drop a note to find out how soon we might expect to receive the 16x20 photo of "Rio Grande Yields Its Surplus to the Sea, Texas and Mexico." You indicated in your letter (April 11) that you had received our check and might have it ready soon. We are naturally anxious to add this fine work to our collection.

I'll look forward to hearing from you.

Sincerely,

William D. Ebie
