Dearest Laura -

We loved meeting you, getting acquainted, taking you to Carmel, sharing your enthusiasm, for life and your work. Please do come back again, soon!

I hope you had a good morning back at the Focus Gallery and that Helen Johnston saw you off - that your trip home was not too tiring and that you are glad to be back in your own four walls, your own bed, and your new studio.

Our friends are Patty and Ken Adam
416 Apodaca Hill, Santa Fe. Their
phone is 983-1949. If you should see them
or talk to them, give them our best and
tell them we are more than ever eager to
come to Santa Fe, now that we know you.

Keep that studio buzzing -

Much love, and thanks 

Mary
