Dear Susan;

It has been a surprise to find the show at Nelson's Gallery in Kansas City. Someone has sent me a copy of a review from one of the newspapers. I did not know that the exhibition had been scheduled for Kansas City.

What has happened to Lawrence, Kansas? Has there been a switch of dates? Please keep me abreast of any changes in location, as I often have friends around the country who will want to see the show. I want to be very certain of the date at Poughkeepsie, which I believe is October as a number of people may travel some distance to see it, and I must be certain that it will be there. Thanking you,

Sincerely yours,

Laura Gilpin
