Dear Mr. Blaker:

Thank you very much for your telephone call and also for the invitation to the "Camera Craftsmen" meeting in Taos on May 15~~0~~18. I do not know that I will be able to come more than one day, but I know that you will let me know which is the one you will want me for.

It will be fun to see Dwight and his wife again, and to meet you, and I hope you will come down to Santa Fe during your stay at Taos. With best wishes,

Very truly yours,

Laura Gilpin
