Dear Mr. Fulton;

Thank you very much indeed for your note.
I thoroughly enjoyed talking to your
students at the Focus Gallery. That was
a very interesting group of faces that I
watched: Japanese, Chinese, Viet Nameese,
black, anglo and probably some others, and
it was fun to watch their reactions. I
am glad if they got something out of it.

I hope that I will see you sometime in the
future, whether in San Francisco or in
Santa Fe.

Very Truly yours,

Laura Gilpin
